Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

3. The PTO will not publish an application for 18 months from the date of filing. If the application is not published, the applicant may request publication at any time. If the application is published, the applicant may request non-publication at any time. If the application is published and the applicant requests non-publication, the application will be published as a non-publication. If the application is published and the applicant does not request non-publication, the application will be published as a publication. If the application is published and the applicant requests publication, the application will be published as a publication. If the application is published and the applicant does not request publication, the application will be published as a publication.
